**THE KROGER CO.**
## VENDOR STANDARD ROUTING INSTRUCTIONS
(Parcel, LTL, & TL Routing)
**Version 2.7 Updated as of June 18, 2024**

**The Kroger Co.** has negotiated preferred pricing with select Parcel & Less than Truckload (LTL) Carriers Enterprise wide to include all distribution centers, manufacturing plants, fulfillment centers, regional freight management centers, offices, storage facilities, pharmacies, clinics, drop ship vendors and retail stores for Parcel Bill Third Party and LTL Bill Third Party or collect shipments from/to our facilities. We expect full compliance with these instructions in order to avoid any unplanned transportation (surcharges and/or accessorial) costs. Parcel Third Party Billing and LTL Bill Third Party or Collect must be used with the carrier listed within this routing guide. **Under no circumstances Parcel shipments can't be shipped Collect to our retail store locations.** Vendors with Prepaid Shipping Terms are encouraged to use the routing guide and our preferred carriers to save on shipping costs and after being formally onboarded and aligned with our shipping expectations and requirements. **Please note supermarket receiving areas are closed on Wednesdays and Sundays for deliveries.**

**\*\*\*All costs associated with PREPAID Shipments are the responsibility of the shipping Vendor. The Kroger Co. will not incur the costs for Parcel and LTL carrier accessorial charges such as, but not limited to, Sort & Segregate, Detention, or Redelivery on PREPAID Shipments. Please note accordingly on your Shipping Label or Bill of Lading (BOL) when shipping to a Kroger facility.\*\*\***

*These instructions do not apply to truckload shipments, which generally are defined as shipments weighing over 10,000 lbs. or 600 cubic feet. Please refer truckload routing inquiries to the **Kroger Transportation Center** (except for Fred Meyer Stores) or to the specific Kroger Manufacturing Plant. Contact information is listed below under "Truckload".*

## Packaging

Kroger expect each vendor to use good packaging practices when preparing parcels and/or pallets to ship to our facilities to ensure the proper package and protection of goods and avoid any unnecessary empty cube space. Vendors should use the smallest package available to complete shipments without damaging the package's contents to minimize shipping costs. It is the vendor's responsibility to make sure the packaging is durable enough to protect the package's contents while in transit. You can use the packaging references below as a reference while preparing your parcel and/or pallets:

## GROUND PARCEL

**STANDARD SERVICE**

**FedEx Ground®**

For all parcel shipments into a Kroger facility, use FedEx Ground® or FedEx Ground® multiweight pricing as the preferred shipping method and mark the shipment waybill **"Bill Third Party"** listing the account number provided by your Kroger Business Owner. You must reference the Kroger Purchase Order number, invoice number and/or order reference number or contact name, Cost Center name and number in the shipment reference fields as complete as possible (PO number, Invoice number and/or Contact Name. and Department/Cost Center name and number) on your FedEx Shipping Label. If you are shipping several purchase orders at once, the documentation must specify the PO number for each box. If you have

no PO number, please reach to the Kroger Business Owner for help in advance of making the shipment to provide the necessary information to add for the reference fields. Do not declare any value on small parcel shipments. For **FedEx®** Customer Service please call +1 (800) GO-FEDEX, or +1 (800) 463-3339. To estimate the transit time use the FedEx Ground® Service Maps Outbound Map View.

**Reference Fields:**

**Your Reference:** Enter your any internal reference just like your order/invoice number to match the shipment.

**PO no.** Use the Purchase Order number generated from one of our buying systems provided to you via e-mail directly from the system or by your Kroger Business Owner. If you are using a Coupa Business Spend Management (BSM) Purchase Order for Indirect Goods please create an Advance Shipping Notice (ASN) in the Coupa Supplier Portal (CSP) and add the Shipment Tracking Information from FedEx® as the Carrier. If you are using the same Purchase Order to ship to multiple stores/facilities, please use the tracking number of one of the facilities or more as the system allows.

Coupa Business Spend Management (BSM) Advance Shipping Notice (ASN) Fields

**Invoice no.** Please list the invoice number for your shipment and/or Kroger contact name.

**Department no.** Enter the Oracle DLT Location number for distribution centers, manufacturing plants, fulfillment centers, regional freight management centers, storage facilities, pharmacies, clinics and retail stores and/or Cost Center Name and Number for a Department within an office (in our campuses), store or Drop Ship vendors on this field. For Oracle DLT Location numbers please reach out to your Kroger Business Owner. For Supermarkets FedEx Ground® will always deliver through the Receiving area in the back of the store and factor that these are closed on Wednesdays.

Individual cartons or boxes over 150lbs. but less than 10,000 lbs. must be palletized and sent via LTL.

**EXPEDITED SERVICE**

Boxes weighing 1-150 lbs., when alternate ground service cannot meet the required delivery date and time or when shipping to Alaska, Hawaii, Puerto Rico and the US Virgin Islands are to be shipped FedEx Express®.

**FedEx Express®**

Only use FedEx Express® if approved by the Kroger Business Owner and time sensitive shipments. Premium Services including FedEx First Overnight® and FedEx 2Day® A.M. are prohibited unless approved in writing by the Kroger Business Owner. Also, FedEx Express Saver® 3 Day Shipping is prohibited as well as it more expensive and has an extra day transit time. For Supermarkets FedEx Express® will always deliver through the front of the store only. After receiving authorization, if you are instructed by your Kroger Business Owner to ship via FedEx Express® please select the FedEx® Service based on the most cost effective option (ranked below) and the desired delivery date as follows:

- FedEx 2Day® (2-Day before 5:00PM Service)
- FedEx Standard Overnight® (Next Business Day before 5:00 PM Service)
- FedEx Priority Overnight® (Next Business Day 12:00 PM Service)

If you are shipping on a Thursday for a 2-Day Delivery or Friday for a Next Day Delivery, please select the Saturday Delivery option for facilities open on Saturdays or as required by the Kroger Business Owner, you need to select this service option while creating the shipment label.

You need to mark the shipment as **"Bill Third Party"** and use the account number provided by your Kroger Business Owner. You must list the Kroger Purchase Order number, Cost Center, Invoice numbers and/or other shipment references in the shipment reference field (one of the first three reference fields: PO no. Invoice no. and Department no.) on your FedEx Shipping Label. If you are shipping several purchase orders at once, the documentation must specify the PO number for each box. If you have no PO number, please reach to the Kroger Business Owner for help in advance of preparing the shipment to provide the necessary information for the reference field. Do not declare any value on parcel shipments. For **FedEx®** Customer Service please call +1 (800) GO-FEDEX, or +1 (800) 463-3339.

## FedEx® Account Confidentiality

FedEx® account numbers are confidential and should only be communicated to the designated individuals in your organization for the limited purpose of preparing FedEx® shipments under these routing instructions. Do not post this information online, on a Purchase Order, Bill of Lading, Commercial Invoice, Shipping Reference fields or other non-restricted view documents or make it generally available beyond what is required for your company to follow these routing instructions. This account is for shipments to Kroger facilities only and its use will be monitored by our freight pay and audit service provider. Non-compliance with these instructions will result on chargebacks or deductions from your invoice payment.

Separate Purchase Order ("PO") boxes may be consolidated and packaged into a larger container to be shipped via the same transportation mode on any single day to any single consignee address.

## FedEx Ground® Hazardous Materials (Haz Mat) or FedEx Express® Dangerous Goods (DG)

If your shipment contains Hazmat **you must be an approved FedEx Ground® HazMat shipper**. Suppliers are responsible for ensuring FedEx Ground® Hazardous Materials packages comply with applicable U.S. Department of Transportation (DOT); Federal Motor carrier Safety Administration regulations and FedEx® Ground requirements. Please contact FedEx Ground® Hazardous Materials (Haz Mat) or FedEx Express® Dangerous Goods (DG) Hotline for general questions, +1 (800) GO-FEDEX, or +1 (800) 463-3339 between 7:00 AM and 7:00 PM CST Monday - Friday, and between 10:00 AM and 2:00 PM CST

Saturday and mention "Dangerous Goods" when prompted by voice prompt system.

Suppliers are responsible for ensuring Air HazMat packages comply with applicable IATA / ICAO regulations and carrier shipping requirements. In any instance a HAZMAT shipment MUST include a current Safety Data Sheet.

## Compliance

Please review these routing instructions carefully. This document will be a guide for you to follow ensuring your shipments comply with Kroger's requirements for parcel shipments. We expect full compliance with these instructions in order to maintain the lowest parcel and LTL freight costs. Compliance includes:

- Using the correct carrier, mode, and billing as provided by your Kroger Business Owner
- Providing the DLT Location Number, Purchase Order, Cost Center, Invoice numbers and/or other shipment references as specified by your Kroger Business Owner in the shipment reference fields
- Entering the reference information in the correct format as instructed by your Kroger Business Owner

**LTL SHIPMENTS**
(Less Than Truckload-Palletized & Less than 16 linear feet in the trailer)

**The Kroger Co.** has preferred rates with **XPO Logistics** for both **National and Regional US LTL Service.**

Single piece shipments > 150 lbs. or multi-piece shipments weighing up to 10,000 lbs. or 600 cubic feet or less than 16 linear feet on the trailer.

**XPO Logistics (SCAC - CNWY)**

If you are a Kroger Supplier and have an FOB or collect shipment that qualifies for LTL Non-Refrigerated carriage, Kroger has contracted XPO Logistics as primary carrier.

**Purchase Order ("PO") must be shown on the pallet in a large font that can be read by receiving team without difficulty.**

**In order to reduce missed or late pickups it is important that vendors specify the individual Kroger Business Unit(ex. Kroger, Vitacost.com or any other designated business unit from the Kroger Family of Companies) shipment when scheduling the pickup.**

XPO Logistics encourages registration for XPO LTL online access to assist with shipping needs. Online web access provides tools to create Bill of Lading (BOL), schedule pickup, track shipment, proof of delivery or delivery receipt and view shipping history. For shipping with XPO please use one of the following options below.

- Use XPO online tools to create bill of lading and submit a pickup request. Click link to visit and create user account.
  - Create an LTL.XPO.com Account

- Visit XPO Service Center Locator to contact the nearest location to schedule pickup.

- A completed bill of lading will be required at time of pickup identifying the shipper, consignee, freight terms, pieces, commodity description, freight class, and weight.

- o [XPO Bill of Lading Template](#)
- o [Directions for completing XPO BOL form](#)

- For escalation issues, E-Mail [XPO Customer Care Group](#).

## LTL GUARANTEED SHIPMENTS

Palletized & Less than 16 Linear feet in the trailer needing to meet critical deadline.

XPO Logistics offers ["Guaranteed Services"](#) which provides priority handling and enhanced network visibility and guarantees your freight will deliver within the posted number of transit days established in transit times. Transit times and eligibility to Instant Guaranteed Service can be found on the XPO LTL website by following this link. [Transit Time Calculator](#) and Instant Guaranteed Service Eligibility.

Please note that you must identify the shipment as either ["Guaranteed" or "Guaranteed by Noon"](#) on the Bill of Lading (BOL) and notify driver when picking up shipment.

- If you need assistance or have additional questions, please contact [+1 (800) 755-2728](#) or [E-Mail XPO Customer Care](#)

## LTL REFRIGERATED

Shipments weighing (250 lbs. up to 10,000 lbs. or 750 cubic feet) requiring temperature control that pick up and deliver within the Continental U.S. are to be shipped via **Frozen Food Express (FFE)** LTL.

**[FFE](#) LTL (All LTL Refrigerated: Frozen: Air temperature range from -10°F–0°F to a temperature range of 28°F–31°F while in transit; Cooler: Temperature range from 32°F–34°F to an air temperature range of 36°F–38°F while in transit)**

If you are a Kroger Supplier and have an FOB or collect shipment that qualifies for an LTL Refrigerated carriage, log on to [Frozen Food Express (FFE) Locations](#) and the nearest terminal. visit the [Frozen Food Express (FFE) Transit Time Calculator](#) to determine the earliest pick-up and delivery window to accommodate your shipment. Allow 2 business days for order planning in addition to the posted transit time. Call your nearest FFE Terminal and identify your shipment as a "third party collect" shipment to Kroger and specify which Kroger site the freight is consigned to for delivery.

For general communications regarding shipment status inquiries, please send an email to the [Frozen Food Express (FFE) Kroger Account Group E-mail Address](#) or by phone at [+1 (800) 569-9200](#).

In the event that you have difficulty obtaining a pickup of your shipment, Kroger's FFE's Corporate Account representative is [Stephen Rose](#) at [+1 (980) 322-4148](#).

## TRUCKLOAD

Palletized Shipments weighing over 10,000 lbs., or greater than 16 lineal feet or 600 cubic feet are classified as Truckload. Truckload routings will be determined by the product, origin, destination, and if there are any special service requirements. In the absence of specific routing and shipping instructions, please contact the appropriate Kroger Transportation Center.
